Bossier's Eight Create School Spirit

"Go Bearkats," echoed off the walls of the gym of Bossier High School as the eight cheerleaders led the student body during weekly pep rallies.

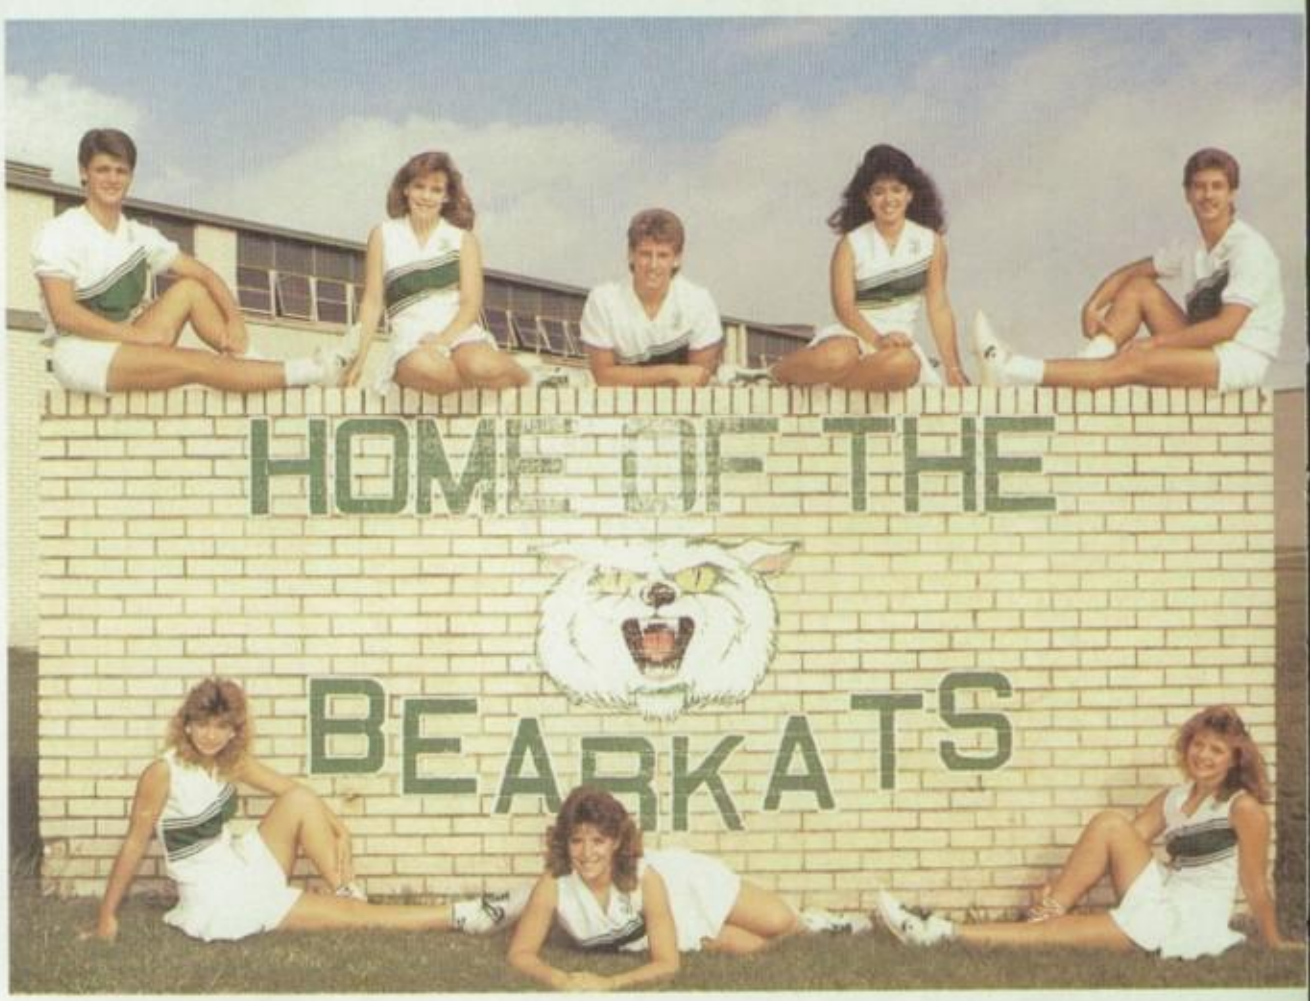
These young people spread the glue that held the team and fans together. In their world of split jumps, cartwheels, and back flips, the cheerleaders' purpose was to create school spirit, loyalty, interest, and good sportsmanship.

Head cheerleader, Becky Maxwell, said, "Although being a cheerleader required a lot of hard work and practice, it was well worth the effort when the students yelled and the Bearkat team went on to victory."

Mrs. Judy Anderson supports the illustrious B.H.S. cheering squad with her time and effort.

Spirit is shown in many ways. B.H.S. cheerleaders exhibit their spirit as they ride in the Homecoming parade. Gavin Peka and Kevin Robson provided the spirit that led the Bearkats to a 29-27 victory over the Loyola Flyers.

Cheerleaders for 86-87 are Kevin Robson, Becky Maxwell, Bill Usher, Jeannie Sias, Gavin Peka, Terri Ogden, Charlotte Hinson, and Joyce Western.



B.H.S. Cheerleaders look on with concern at a player who was injured in a home game against the Northwood Falcons.

The Cheerleaders are proud of Jeannie Sias and Charlotte Hinson as they are nominated and ride in the parade as Senior Maids. Jeannie is later chosen as Homecoming Queen.

To boost the spirit during the game against the Parkway Panthers, the cheerleaders lead the yell What, What.

Instigating spirit are the 86-87 Bearkat mascots, Shanna Wilbourn and Nancy Larned.

It is a treat for Bearkat fans as cheerleaders from previous years show up for an encore performance at Bossier's Homecoming game.

Key Clubbers Provide Community Service

Key Club is a service organization for high school students. It was unique in that it was sponsored by the local Kiwanis Club. Participation in Key Club service activities helped members develop initiative, leadership, and good citizenship.

In 1986-87 Bossier High School's Key Club was very active under the leadership of Larry Layfield, president. Under Coach Bill McConathy, the advisor, they began the year with a divisional rally in October and the traditional burning of the KATS at the half-time of the Homecoming game.

Members of this organization were kept busy with fund raisers and fun-filled activities throughout the year.

Coach McConathy, the Key Club advisor, expresses his opinion at an officer's meeting.

Ten Key Clubbers went to the divisional rally in Ruston on October 11 for an orientation that was presented by area Key clubs.

Exchange Club Finishes Second Year

The Junior Exchange Club was established last year and is one of the only girls's club at Bossier High School. Only an elite group of girls were chosen. The requirements for membership were good grades and leadership abilities.

The purpose of the club was to provide an opportunity for young adults to work together in service to their school and community.

The club was involved in various projects for the school. They participated in 1986 homecoming festivities by electing three beaus to represent their club. The beau, as well as the maids, rode in the homecoming parade.

One of the club's goals for the year was to raise enough money to have an end of the year dance. Throughout the school year the club grew in importance and interest.

B.H.S. — Bound For Broadway

Due to malfunction of their stereo system, the Bearkat Babes were not able to perform at the Bossier-Northwood game held in Bearkat stadium on September 26, 1986. The following Monday in Miss Gray's 2nd hour Drama Class, Charles Donges, Harlan Hughes and Baxter Earp came up with their own solution — "A home made sound system."

Plays, monologues, skits and makeup ran through the heads of the drama club members as they prepared their shows for the season.

The Drama Club presented an opportunity for students to learn about the many aspects of live theater. The club produced several plays for the public this year. They also visited area theaters where they saw live productions. Guest speakers spoke to the club on topics such as acting and makeup.

The Drama Club sponsored fund-raising activities throughout the year. The money was used to produce plays and buy materials needed by the drama classes.

Bearkat Babes Build on Expectations of Excellence

"Impressive" may very well be the best one-word description of the Liberty performance according to team captain Carol Jones. Eleven members of the 1985-86 Bossier High School Bearkat Babes, Sandra Bright, Jill Dillingham, Joy Dillingham, Sheila Friday, Sheila Haynes, Nancy Johnson, Carol Jones, Jeanyne Richard, Tonya Runyan, Laura Shivers, and Amy Thomas were invited to perform at the closing ceremony of Liberty Weekend on July 7, 1986, in New York City. While there, Jill Dillingham, Sheila Friday, Nancy Johnson, and Tony Runyan were chosen as Outstanding members of the Liberty Drill Team.

Last spring the team received a Division 1 in the military category at the Six Flags Drill Team competition in Dallas, Texas. In July of 1986, the dance team attended the American Drill Team School in Dallas, Texas where they received Division 1 in Parade and Dance categories. Four of the team members received special awards at this camp. Sheila Friday was chosen as Outstanding Marcher out of the five hundred girls that attended. Jeanyne Richard achieved the honor of becoming a member of the prestigious All American Drill Team, and Sheila Haynes and Nancy Johnson were selected for Who's Who in American Drill Team. Being selected for the American Drill Team and Who's Who are the highest honors in dance competition.

In 1986-87 the Babes were invited to perform in the Holiday Bowl at halftime in San Diego, California. They were also invited to march in the St. Patrick's Day Parade the week of March 17 in Dublin, Ireland. The team held many fund raising activities such as car washes, dances and selling balloons at football games.

The main purpose of the group was to promote school spirit by entertaining at pep rallies and sporting events.

SKILLS FOR HIRE

DECA SES: "Those Airline Boys think they are fine but tonight they are gonna lose for the very first time." This sign was placed in the hall by BHS DECA students who found time in their busy schedule to promote school spirit.

The life of DE students got hectic at times as they attended school in the morning, worked on their jobs in the afternoon, and did their homework at night.

President Kelly Hendon said, "The idea of balancing school and a job was easy to adapt to, although the hours did cut into my social life at times."

DECA had several areas of competition for students such as apparel and accessories, advertising, general marketing, general merchandise, and food marketing. They competed in District and State events. Other activities for the year included a trip to New York for an officer training conference and production of a twelve minute film which helped to explain duties of service and ways of developing leadership abilities.

Distributive Education Clubs of America have helped to develop many of the leaders in Marketing and Distribution. As a result, businesses have been provided with more employable and productive workers.

DECA officers for this year are Kelly Hendon — President, Kate Simonelli — Vice President, Kristi Darden — Secretary, Carol Tarver — Treasurer, Tim Bass — Photographer, Pat Nelson — Parliamentarian, and Randy McDaniel — Representative.

Singers Display Ability Through Performances

Members of the BHS Choir had a difficult task in front of them as they set out to top last year's performance where superior ratings were received at every competition. In the Florida Sunshine competition they received the only superior rating given. This year posed new problems for the choir director, Mr. Milton Nix; because of schedule problems, the Showchoir was spread throughout several classes and did not get to meet daily as a group. With the help of officers President Gavi Peka; Vice-President Betty Lincecum; Treasurer Keri Smith and Secretary David Hoskins, Mr Nix and his choir were able to se goals and work toward achievin another year of excellence.

FBLA Develops Business and Civic Leaders

The purpose of the Future Business Leaders of America was to develop in today's students the qualities of business and civic leadership.

On their agenda for the 1986-87 school year was having a party for a large day care center, supplying food for needy families on Thanksgiving and Christmas, and entertaining elderly people at a local nursing home. The Y-Teens also gave parties for the Northwest State School and the Shriner's Children Hospital.

Leo Club Buckles Up!

"Buckle up for Safety" week, sponsored by the Leo Club, helped students get in the habit of wearing their seat belts. Club members stood at the campus entrance and checked to see if drivers and passengers were wearing seatbelts. Those who were obeying this new law were given a piece of gum. Plans were made to place a "Buckle Up" sign at the end of the stadium as a reminder of the safety law.

The major charity project of this year's club was the Eye Bank Telethon, sponsored by the Lion's Club. Members donated hours answering the phones and taking pledges. Leo Club members Baxter Earp and Charles Donges said, "It was a lot of work, but we had fun."

Mu Alpha Theta Climbs to the Top

Mu Alpha Theta is a national honorary math club for high school students who have excelled in math. To be considered for membership students must have taken at least two college bound math courses and be enrolled in one at the time. They must also have an overall 3.0 or better grade point average. Under the guidance of Mrs. Huie and Mrs. Albritton, they sponsored many activities this year. There were before and after school tutoring sessions, guest speakers at meetings, and the initiation in November. They sold spirit links for the Bossier vs. Airline football game and sponsored the Jr. High math contest in the spring.

Stuco Develops Leadership Abilities

Behind closed doors Bossier High School student council brainstormed to come up with new and exciting spirited activities for the 1986-87 school year. Their advisors Mr. Dominic Salinas and Mrs. Barbara Robson helped make all the activities possible. Coordinating a beauty pageant, a Sadie Hawkins Dance, a faculty breakfast and participating in SASH, and the Red Cross blood drive provided many opportunities for STUCO members to develop leadership abilities. In the fall they selected Freshman Officers, built a float, had a mother/daughter luncheon for the homecoming court, a pep rally presentation, and a homecoming dance. STUCO also conducted elections for campus favorites at Bossier High School and class officers for the following year.

FCA Enjoys the "Family Tradition"

The Fellowship of Christian Athletes is an organization active in all parts of the state. It has grown in membership throughout the years. The club consisted of athletes, dance team members, cheerleaders and mainly students with Christian beliefs. They met every Tuesday in fellowship, and listened to guest speakers once a month. The FCA association sponsored a breakfast with a guest speaker every third Thursday. A professional athlete gave a message of inspiration to the youth. A cook out was held in October at coach Jackson's camp "Family Tradition," on Lake Bistineau.

Band Upheld Tradition of Pride and Excellence

The Bossier High School Band kept its tradition of pride and excellence. Along with morning practices and contests the band supported B.H.S. at every pep rally and football game. Under the directions of Mr. Barry Vowell every band student futhered their education in music.

Many band members take their talent to competition with other students. A student can receive the honor of participating in district honor band. Every year tryouts are held and talent is displayed. Other special awards are All-State and All-Star. Bossier High School is represented each year at these special events.

Mr. Vowell is the dedicated band leader for the B.H.S. band.

Colleen Connory and Becky Harr are the 1986-87 band drum majorettes.

Biology Club has LIFE

One of the Biology Club's goals was to raise money to buy equipment for the Science Department. In the year 1985-86, they raised over $1,000. With these funds they were able to buy a T.V. set, a VCR and 3 sets of filmstrips to be used in the science classes. Their hard work and dedication enabled them to be named Club of the Year for 1985-86.

This year's officers Lynne Davis — President, Shea McDonald — Secretary Treasurer, Lloyd Barrett — Publicity Chairman, and Carey Free — Fund Raising Chairman had their goals set to match or top the previous year. One of the fund-raisers was a Christmas Dance. The Biology Club likes to have a good time while raising money for a good cause.

Officers for this year are Lynn Davis — President, Shea McDonald — Secretary/Treasurer, Lloyd Barrett — Publicity Chairman, and Carey Free — Fund Raising Chairman. Mrs. Price is the sponsor.

In October, several members attended the Zwolle Tamale Festival in Zwolle, La. In the Spring, members attended the Cinco de Mayo festival in Dallas, Texas, and observed Foreign Language Week, had a dinner at Nicky's with Parkway's Spanish Club, enjoyed a Christmas celebration, and a party with the B.H.S. French club.

Bearkat Entrance Is Restored by YACA

Bossier High's Youth Council of America promoted visual arts in the school and in the community. YACA set their goal to make 1986-87 the best year ever.

They started the year right by painting faces at the Red River Revel, attending the YACA State Convention, participating in the Clay Bowl, and hosting the B.H.S. Annual Art Show. To promote school spirit and raise money they sold personalized buttons. One of the major accomplishments of the club was painting the Home of The Bearkat sign in front of the Boy's Gym.

Their club was advised by Miss Becky Bishop and presided over by Robert Solomon.

A spring talent show in April and a Halloween dance on October 24 were some of the activities that got their year rolling.

ROTC Experiences A Growing Year

Second year cadet, Jennifer Adkins, said, "This year was a fun-filled yet valuable experience for the R.O.T.C."

Their many activities promoted a demanding schedule for the cadets. They marched in the Veterans, Homecoming, and Dogwood Parades and cleaned the stadium after each home football game. The Color Guard presented the colors at Rusheon Jr. High P.T.A. meetings, the Drill Team attended competition in West Monroe and as a reward for their fund-raising project, about fifteen members took a flight to New Mexico. The group also visited Pilgrim Manor Nursing Home and attended the N.A.S.A. presentation at the Fair Grounds.

The officers that planned such a busy schedule were Catherine Burke — Lt. Col. Corps Commander and Brad Thomas — Maj. Deputy Corps Commander.

For the purpose of aerospace education the BHS ROTC met their year's expectations.

Tomorrow's Memories Today

Yearbook Staff members discovered early in the year that they were responsible for recording tomorrow's memories today.

As they began their study of what should be included in a yearbook, they found that style dictates to the publication world just as it does to the world of fashion. The memory book filled with unrelated photographs and cute sayings has been. replaced with a highly sophisticated and technically superior yearbook — a product that serves as a history, memory, and reference book.

With this knowledge in mind, the staff set out to make the best possible yearbook. This involved using their writing and organizational skills and their creative abilities.

Staff advisor, Mrs. Joann Rougeau, said, "I think working on this book has provided valuable experiences for the staff. We have tried to take a more journalistic approach and I am pleased with our accomplishments."

The 1987 yearbook is the result of many hours of student study, effort, and work. It was the hope of the staff that this book would have all of the characteristics of a "best seller."

The officers of the Les Memories staff are: Brett Chamberlain — Business Manager, Lisa Chandler — Editor, Mrs. Rougeau — Advisor, and Tara Tinsley — Assistant Editor.

Lisa Chandler is the dedicated editor of the 1986-87 Les Memories yearbook.

Tara Tinsley, as the Assistant Editor, had many responsibilities for this year's yearbook.

Nancy Hughes — editor of the sports section — was assisted by Junior, Kevin Robson. Their job was to record the sports activities for 1986-87.

Holly Teeters — editor of the organizations section and Sheila Friday started early in the year with drawing pages, cropping pictures, writing captions and club write ups. Relief was the main emotion felt at the meeting of each deadline.

Charles Donges — head photographer and Chris Robinson helped record the 1986-87 school year through their camera lens.

You Just Can't Hide That Bearkat Pride

On Friday nights students packed the stands to cheer on the Bossier Bearkats. Before the games the Rally Kats lined up by the goal line and let the football team run through. Whether we won or lost the Bearkat crowd was proud of their hard work. The football team was very successful, the final game was played on November 14, against Neville in the State Playoffs. Then the fans rushed to the boys gym for wrestling matches and basketball games, both boys and girls. The wrestling team took 2nd place at the Lafayette Invitational on January 24, 1987, and the basketball team took 2nd place at the Bossier High Tournament on January 10. All sports teams were successful and brought great pride to the Bearkat fans.

The fans cheer when the football team made another six points against the Airline Vikings. The Bearkats ended the night with a VICTORY score of 20 to 6.

Lynne Davis, junior Mat Kats, kept the stats for the Bearkat wrestlers on January 15, as Bossier wrestled Parkway and won 30 to 25.

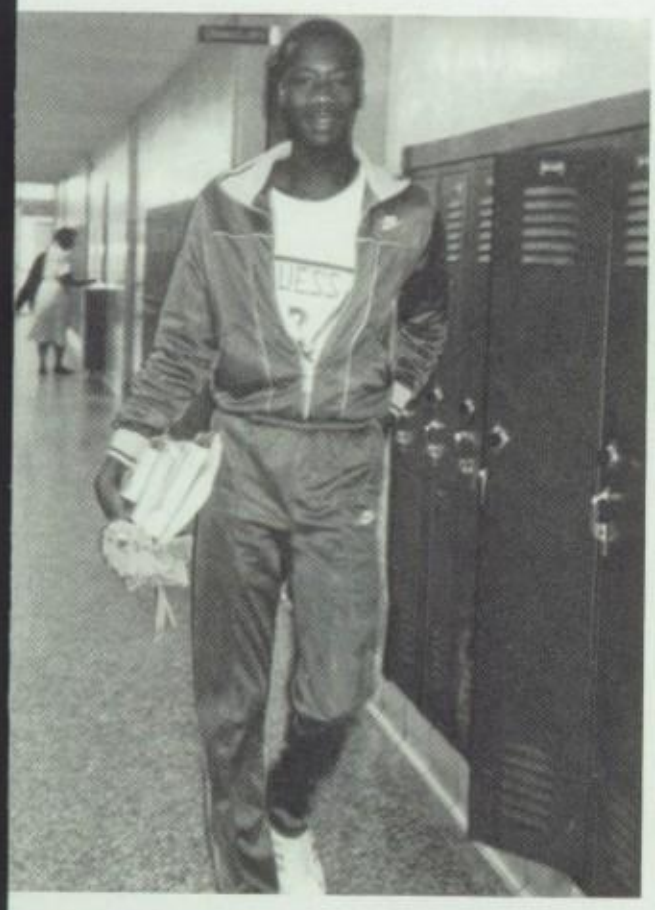
Guess What's In

Guess denim jeans and jackets were worn by some of the most fashion conscious men and women on the Bossier High campus this year. Fashion did not consist of one set, rigid style; creating individual looks was made easier with many popular styles. Over-sized sweaters, Forenza, and rolled-up pant legs became prevalent throughout the school. Some chose loafers and duck shoes with no socks while others wore boots and high-tops. For a polished look accessories were essential. Fabric and silver toned bows were popular with the young ladies. Belts with eye-catching textures and buckles were important and collars of endless designs made matching easy. Costume jewelry, along with basic gold and silver pieces added flair to any wardrobe. All these styles reflected the individual personalities of the student body and no matter what the look — the students at B.H.S. dressed with pride and style.



Junior, Anthony Fedrick shows that he's "got the look" with his Guess T-shirt.

The Teddy Bear Den is the IN place for some of the senior girls like Lisa Chandler, Tammy Jameson, Amy Hopson, Janet Oar, Carol Jones, Kelly Brown, Charlotte Hinson, Becky Maxwell, Kristi Darden and Kerman London.

The place to be on January 1, 1987, in Karen Tucker and Cindy Robinson's opinion, was the Sugar Bowl where Bossier's own Tony Moss made an LSU touchdown.

Don't Leave Class Without It!

A school rule that was consistently enforced by the administration was, "students found in the hall without a hall pass will be subject to after school detention." In an effort to save time by not having to write a pass each time a student needed to leave the room, several B.H.S. teachers came up with clever ideas for permanent hall passes. They could be found in all shapes and sizes from apples to teddy bears.

Students Gained Knowledge From Classes

From each class, students gained knowledge that grew and returned to strengthen the school. The faculty and students alike were dedicated to fulfilling responsibilities, both academic and extracurricular. The shapes of priceless memories will never fade. This year, brought special strength that came from unity. Students discovered each other, and in doing so, discovered themselves.

Lasting Friendships Are Made At School

From the first bell at 8:15 a.m., August 21, 1986, the excitement at BHS was never ending. On the surface, the school looked as if it was running effortlessly, but beneath that smooth surface, students were working hard and practicing strenuously every day. The administration, the students, the office workers, and all school personnel were busy planning dances, raising money, decorating the halls and getting ready for the big game. The year brought to light many different and familiar faces and given any opportunity, the students visited and made lasting friendships.

A close look of the year at the closing bell on May 29, 1987, indicated that championships, honors, and trophies were earned. The hours of hard work, planning and practice really paid off.

Seniors Janet Oar and Kerman London delivered the mail for the main office.

Corey Scott, Dennis McHugh, Robbi Cortez, Jed Conklin, and Robbie Bookout stood outside the sippy stand drinking a coke on lunch break.

Class Members Host Sign-Making Parties

To support the mighty Bearkats many students worked until late at night making signs that promoted spirit and decorated the halls, gym, and football stadium. Members of each class took turns hosting "sign making parties." A few days before the game they met at someone's house and worked on the signs that helped their class win the coveted "spirit stick." This was a place where students could go to relax, socialize, have fun and just get away from it all.

Seniors Amy Hopson and Kelly Brown had fun at Nancy Hughes' house on October 8, working on signs for the Homecoming game against Green Oaks Giants.

Bearkat Mascots Shanna Wilbourn and Nancy Larned make the sign for the football players to run through.

Lisa Chandler and Baxter Earp, at Nancy Hughes' house on August 27, made signs to put up for the first game of the season, the Jamboree game against the Parkway Panthers.

Cheerleaders Jeannie Sias and Charlotte Hinson made signs to put in the halls of the school.

At Jill Dillingham's house, Cheryl Anderson has her paint ready to make a sign for the Haughton football game.

Dances Leave Fond Memories

Some of the fondest memories of the 1986-87 school year were the dances held in the girls gym after football games and at various times throughout the year. For some it was the first dance after the victory over the Loyola Flyers. For others it was the Homecoming dance or the senior prom. Bossier High Cafe, a dance sponsored by the Bearkat Babes, also preserved fond memories for those who attended. Students found that dances like these seemed to relieve their pressures and helped to maintain their sanity.

Winners of the best dressed contest John Messier and Lynne Davis showed that they knew how to dress for the Fifties Dance on November 8.

Scott Decker and Janette Edward danced the night away at the Cafe Dance January 23rd.

Senior Bill Spencer had lots of fun at the victory dance on September 12th after the win over Loyola.

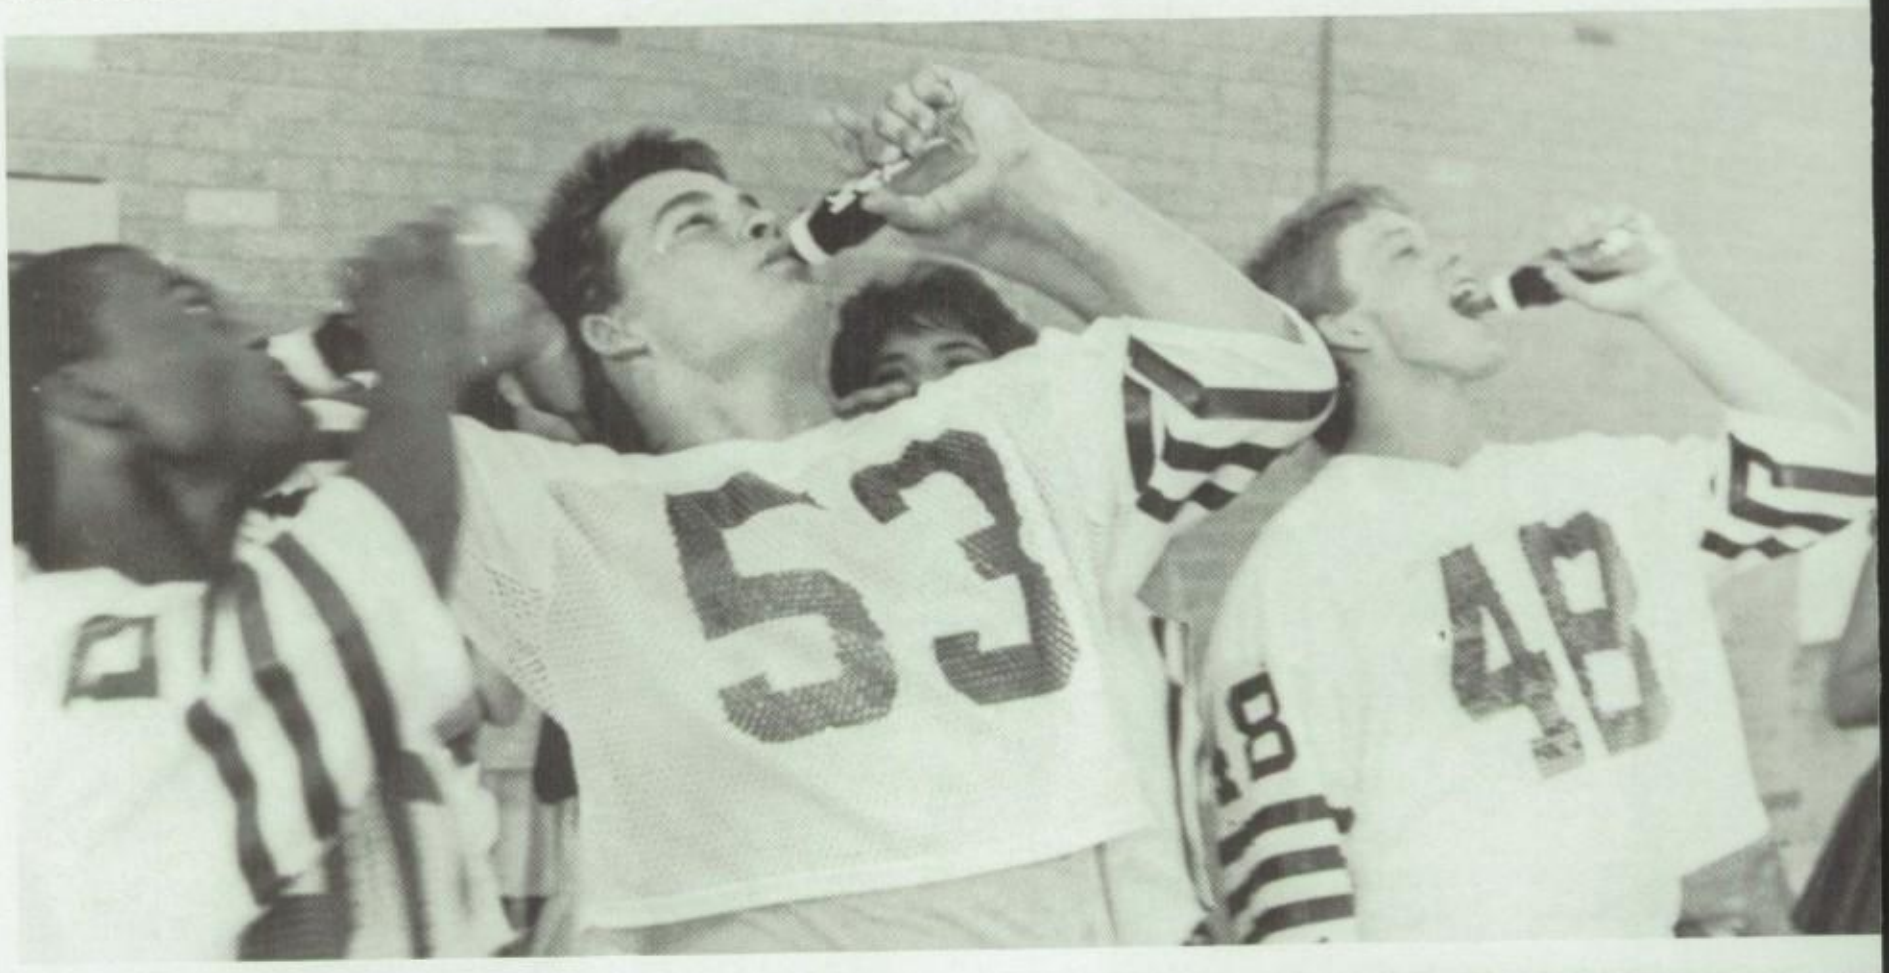
Sophomores, Sonya Gibson and David Maldonado enjoy dancing together at the Cafe Dance.

Members of the Bearkat Babes Diane Marlar, Tanya Runyan, Shelia Hayes, Sandra Bright, and Laura Shivers had fun at the Cafe Dance in which the team had sponsored.

Saturday night, October 11th, Tricia Burnes, David Ramares, Lisa Chandler, Stephen Mayfield, Jeannie Sias, and Brian Bartee had fun at the Homecoming Dance sponsored by the Student Council.

Pep Rallies Motivate Bearkats

Pep rallies provided an opportunity for students at B.H.S. to let go and express their excitement. Rallies were held throughout the year to promote academics as well as sports. Countless benefits arose from the chance to assemble and support the teams or outstanding students that represented the school. Not only did it inspire them to do their best, it also gave students a chance to meet as a group and accomplish something together. The cheerleaders were a dedicated group that worked hard to create a bond of unity in the entire student body. The band faithfully attended pep rallies in spirit, as well as in form. The dance team performed routines at many of the rallies and class competition kept the spirit high. Several groups, including faculty members, combined their talents to put on particularly memorable skits. The success of these pep rallies was evidence that Bossier High School experienced a growth of school spirit this year.



Seniors Rodney Moffett, Harlan Hughes, and Randy McDaniel, drink their bottles at the Woodlawn pep rally to promote spirit for the whole football team.

Members of the Spanish Club Shannon Granger, Kelly Quinn, Comeco Jones, Larry Layfield, Tammy Jameson, Catherine Burke, Francis George, and Loryanne Barker did a skit October 17, 1986, when the Bearkats played the Parkway Panthers.

Bossier High School teachers show that spirit at an afternoon pep rally.

Quill and Scroll Gives Recognition to Deserving Students

Quill and Scroll is an International Honorary Society for High School Journalists. A group of high school advisors started this organization April 10, 1926. Their purpose was to encourage and recognize individual student achievements in journalism and scholastic publications. According to the Constitution, members of Quill and Scroll must be chosen from students who are of junior or senior classification. They must be in the upper third of their class in general scholastic standing, and must have done superior work in some phase of journalism or school work such as writing, editing, business management or production. They must be recommended by the advisor. Since its organization, Quill and Scroll has granted charters to more than twelve thousand high schools in all 50 states and 32 foreign countries. Bossier High has held a charter since 1956, and has helped to build student incentive and quality, providing deserved recognition and rewards to many students.

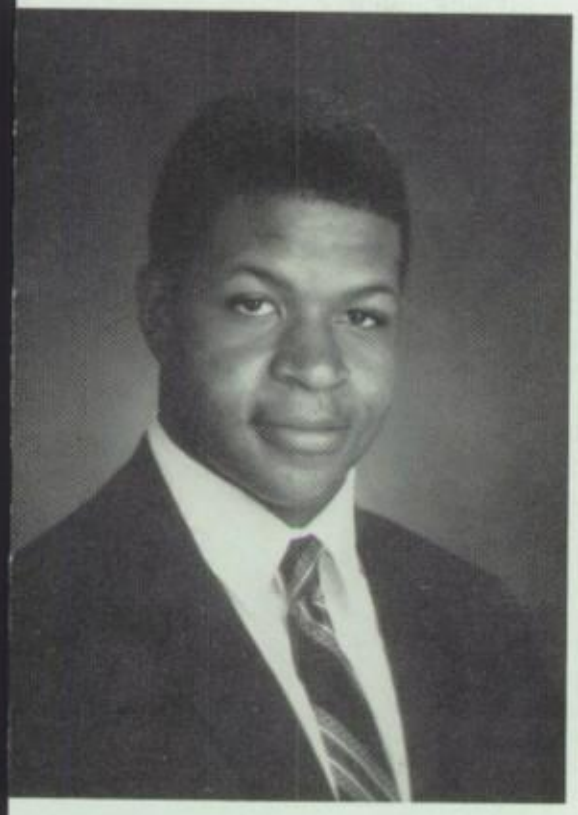
BHS Students Help Run State



Last summer, while many students at B.H.S. were sleeping the summer away, 3 girls and 4 boys from Bossier went down to Baton Rouge and found out how the government was run. Tara Tinsley, Jeannie Sias, and Nancy Hughes went to Girls' State from August 6-13. Darryl Wyatt, Larry Layfield, Trey Shewmake, and Brett Chamberlain went to Boys' State from August 7-14. They had a week of No Sleep, eating in 3 minutes, marching up and down the street, and pretending they were the governing body that ran the state. They had a Supreme Court, City Councils, House of Representatives, and Senate. The teachers chose these students to represent Bossier High School at Pelican State.

Every year the counselors from Bossier High School select three outstanding boys and three outstanding girls to send in their resumé to the Optimist Board. The Optimist Board consists of six members who make the selection on achievements alone, as they look through the achievements they are unaware of the names. They select two outstanding students from each high school, chosen from our school were Larry Layfield and Tara Tinsley. A judge then takes the outstanding boy and girl from each of the schools and selects an overall boy and girl to receive the Scholarship Award. BHS — First to Honor Academics

Every six weeks, BHS honored those who had excelled in academics. Ribbons and buttons were given to those who made all A's and B's.

This gave the students an incentive to do better. BHS students were taught to stand proudly for the achievements in academics.

This year at midterm the students who made straight A's all year received a medallion and were taken to lunch in the BHS cafeteria.

BHS faculty was proud of those who not only excel in extracurricular activities, but spent as much, if not more time in the books.

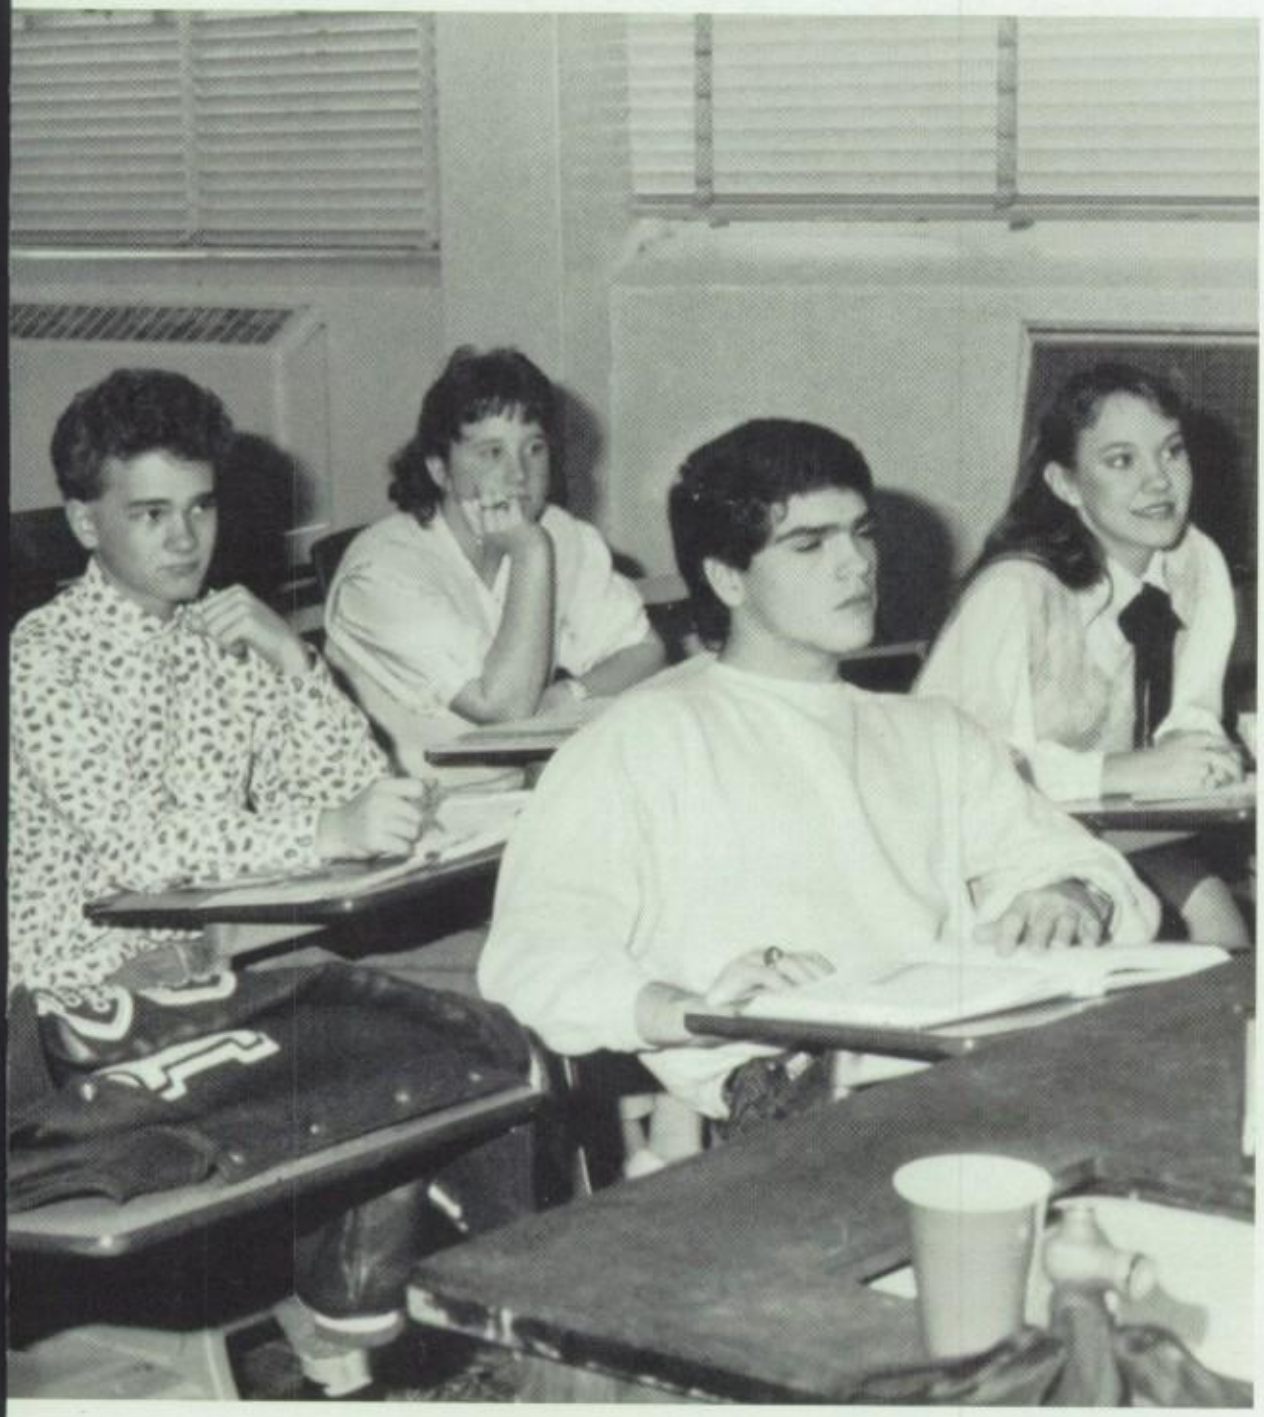
Mathematics Requires Concentration



With the Computer Age upon us much emphasis has been placed on the importance of mathematics. Students must take three courses of math to meet the requirements for graduation. Bossier High School offered courses in Advanced Math, Trigonometry, Calculus, Algebra I and II, Geometry, Consumer Math and Business Math. Teachers of mathematics placed emphasis on performing the right sequence of steps and the importance of the process involved in solving problems rather than just coming up with the right answers.

The Power of Speaking and Writing

If a genius had an idea that might change the entire world it would be of no value unless he could communicate his thoughts to other people. BHS students learned that an expression of thoughts requires a knowledge of such skills as writing, reading, speaking, listening, and observing. They were taught that in order to communicate effectively, they must be certain that their tools are the best possible. These tools include grammar, spelling, punctuation and word usage. One of the most important lessons they learned was that of making sure of a point in question by searching for the answer in a dictionary, a thesaurus, or some other reference book.

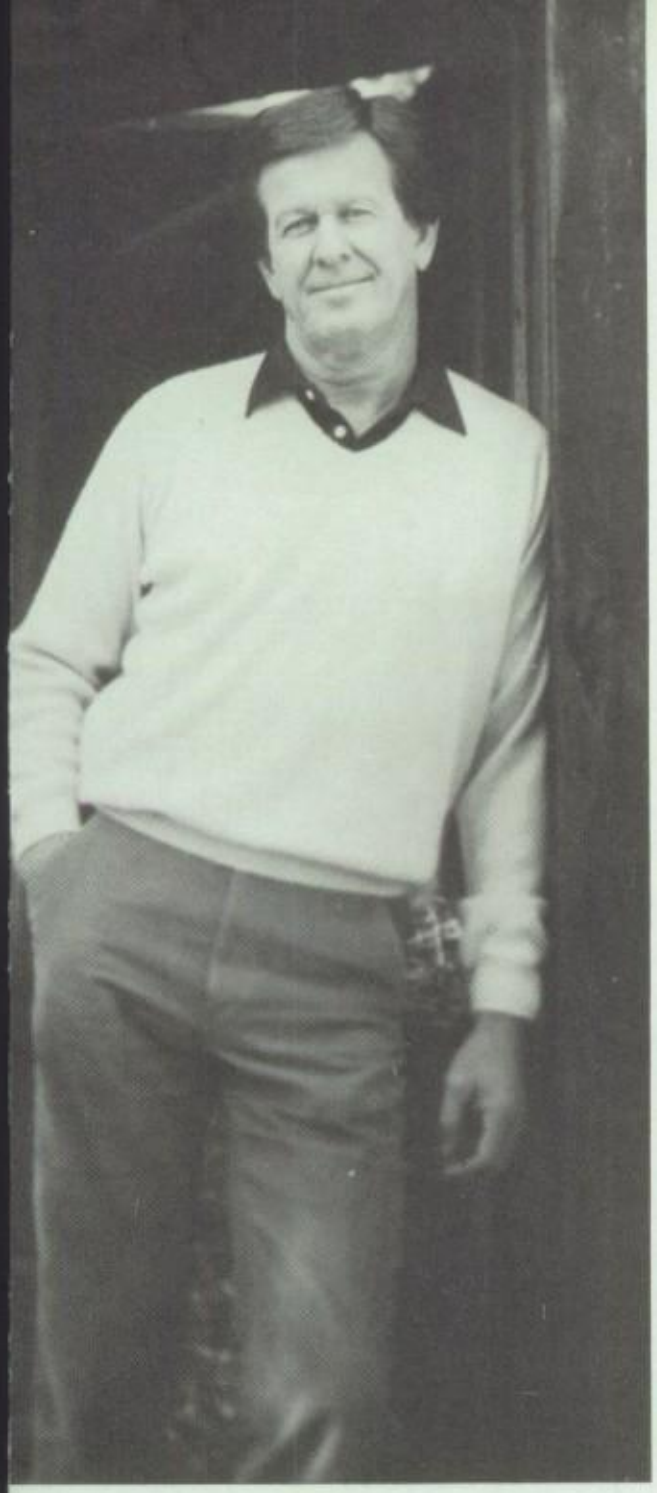
BHS Attains Success With New Leader



Backed by dedication, drive and experience Mr. Wayne Tinsley was named Principal of Bossier High School on January 10, 1986. The quiet and effective way with which he took command was evidence that he was well qualified for this position.

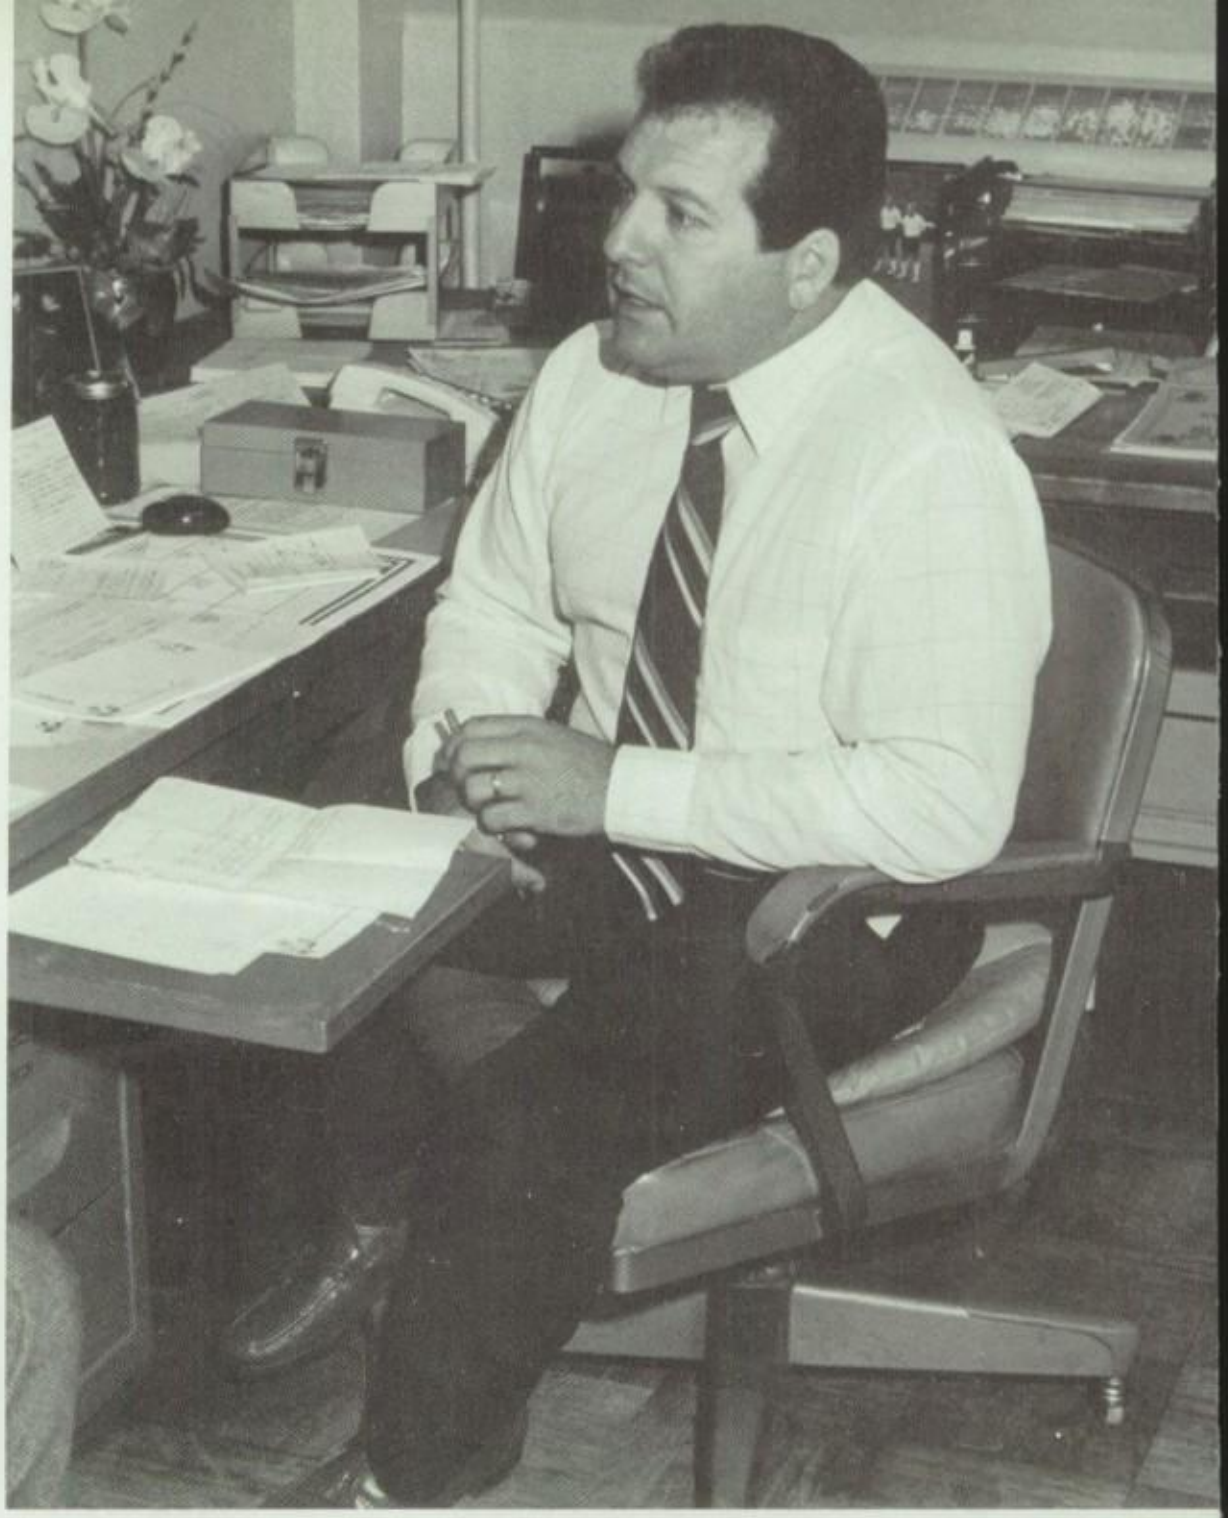
Mr. Tinsley was a true Bearkat in every sense of the word. He supported them in everything they did, never missing any of the extracurricular activities of the school. Having his only daughter, Tara, participate in various sports and other activities gave him a very special interest in BHS and made him doubly proud to attend these events.

Apart from his principal duties he enjoyed spending time with his wife, Patsy, jogging and playing softball with Tara, and working with the family's pride and joy, Prince, their Doberman Pinscher.

Before his promotion, Mr. Tinsley served as BHS head coach for several years and continues to help with the softball team. When asked how he felt about being selected as Principal of the school, he said, "Once I became a Bearkat I knew no other school would do. This is definitely my home!"

Mr. Richard Concilio held the position of both Assistant Principal and Head Football Coach at Bossier High School this year. He could be seen in his gym clothes hard at work on the football field or in his suit counseling and disciplining students. During his free time he enjoyed spending time with his wife, Lois, and his children Teri and Michael. His influences on his children were evident as they became interested in playing all sports. He also enjoyed hunting and fishing with his family and his friends.

Although Coach Concilio was a very busy person throughout the year, he found time to listen to and help solve the problems of students, parents, and faculty. BHS is proud to have a great Assistant Principal and Coach ALL IN ONE.



Togetherness is the Key

Assistant Principal, Earl Culburt has dedicated the last seventeen years to the students at B.H.S. He became a loyal Bearkat in 1971 as a football and basketball coach and has served as assistant principal since 1977.

On his free time he enjoys spending time with his wife, Shirley and son, Scotty. He enjoys attending football and basketball games, and cheering the Kats on to victory.

In spite of his busy schedule, he seems to find time to help any students or teacher. Everyday he deals with problems, supervises, school activities, and helps to maintain strict discipline. To know Mr. Culbert is to love and respect him as a friend and as Assistant Principal of Bossier High School.

Friends are Found in Faculty

Miss Backa was taken by surprise as she was grading her data processing papers.

Mrs. Albritton, assists Thomas Crawford with one of the more difficult Trig problems.

Slowly realizing that classes were more than boring interruptions of social activities and that teachers were more than standard classroom equipment, BHS students either welcomed or withstood the academic challenges of 1986-87.

The sign on Mrs. Carma Cook's bulletin board read, "One Way — My Way! Much of the credit for excellence in academics at Bossier High School must be given to Mrs. Cook and other faculty members who recognized that their main responsibility was to the student in the classroom. "Their Way" was to act as an instructional leader, a stimulator of thought, and at times, a disciplinarian.

The teacher's work was not restricted to the classroom, however, there were records to be kept, clubs to be sponsored, lessons to be planned and piles of papers to be checked. Teachers also stood hall duty, worked in the lunchroom or patrolled bus areas.

Through their sincerity and dedication to the young people in their charge, these men and women were able to make a permanent impression on many of the lives of BHS students.

KATS

Bossier Wrestling at Its Best!

The Bearkat wrestlers were out in full force this year. With a record of 11-1 they took city champs. Their only loss was in a very close match to Haughton. Practicing everyday in the cafeteria required dedication, and hard work. The 1986-87 wrestlers had this. When Jon Messier was asked why he liked wrestling, his reply was, "I find a lot of pride in participating in the sport especially as a representative of Bossier High School. This sport is a physically demanding one and requires the kind of teamwork found only after much devotion and practice. You learn a lot from wrestling and it is very challenging and rewarding. It increases a person's stamina and self-esteem."

As defending Regional champs, Bossier represents the #1 wrestling team in Northern Louisiana. They placed 2nd in the statewide tournament at Lafayette. Due to Bossier's excellent wrestling program the Bearkats dominated regionals and took state by storm. Leading the Kats to a winning season were outstanding wrestlers such as Shane Vetkoetter, Robby Bookout, Jose Otero, and Lee Capers.

In the words of track team members, Paul Sharp and Tara Tinsley, "There was much more to track than just running a foot race." Running track was a challenge to the runner himself to beat his own time. It required a mentally fit mind as well as a physically fit body.

Both Boys' and Girls' Track Teams found that a large amount of training was necessary in creating a swift team which would go to state. With constant dedication to their sport, they tried to develop a quality of pride and determination which would help them remain one stride ahead of the others.

The Boys finished 2nd in district, 3rd in regional, and tied for 5th in state. At the state meet, the participants were Verdel Evans, Londell Smith, Paul Sharp, Johnnie Holeman, Carter Jefferson, Melvin Culpepper, Terry Dixon, and Terry Moore.

The Girls finished 2nd in district, 3rd in regional, and tied for 8th in state. The participants at the state meet were Lisa McRae, Tara Tinsley, Aretha Evans, and Lazondra Francis.

Sophomore Tommy Jameson anxiously awaits for a h hit ball down the third base line as they play the Air Vikings.

Although the Bearkat baseball team was very young, they showed great enthusiasm and determination throughout the 1986 season. Six of the nine starters were freshmen and sophomores. Second baseman Tommy Jameson said, "The year was somewhat like a see-saw — up and down during the entire season."

Through hard work and long practices, they were able to reach many of their district goals. A tough time for the Kats, however, was the 8-7 loss to Parkway — a really disappointing ending to the season. The final district record was 5-5. Although 1986 was a year of rebuilding for the Kats, one thing was for sure — they grew in experience and in the heart and were prepared for another chance to have a winning season in 1987.

Sophomores Tommy Jameson and Jason Satre, Junior Benny Evans, and Senior Martin Navaro were chosen to the First Team All-District. Second Team All-District members were Freshman Allen Lopez and Sophomore Jeff Traylor. Anthony Sheperd was given the Honorable Mention Award. Tommy Jameson and Martin Navaro were also chosen to the All-City Team which appeared on the front page of *The Shreveport Times*. They participated in ten matches at local courses including Eastwood, Querbes, Huntington, and Barksdale.

"The experience gained from this year's play should be a great asset to the Bossier High golf team in the future," according to Charles Donges.

The Lady Kats set high goals for the year. Although the team was composed solely of sophomores and juniors, experience was not the factor that led them to a 14-4 winning season. It was pure determination of the total team that brought them such a good season. The Lady Kats also hosted the First Annual Bossier High School Fast Pitch Tournament. Not only did they host the tournament, they played and won three important games which put them in the finals with the undefeated Mansfield Wolverines. They beat Mansfield with a score of 17-9. This was definitely the highlight of their season. Karen Pilgrim and Michele Games were chosen to the All-Tournament team. Tara Tinsley was chosen Most Valuable Player of the tournament. She pitched a no-hitter against Benton which led to three various articles in the *Times* and *Journal*. She pitched a total of 19 strikeouts and walked only four batters throughout the entire tournament. Karen Pilgrim and Tara Tinsley were also chosen as All-District pitcher and catcher along with shortstop Michele Games and centerfielder Yolanda Harris. Constant Practice Produces Winners

Bearkat spirit was definitely in the air as the Bossier Bearkat football team left their mark on scoreboards across the District. By beating teams such as Airline, Parkway, Green Oaks, and Natchitoches, they were able to capture the title of "City Champs" and "District Champs." Advancing through the season and having a district record of 4-1, earned the kats the right to compete in the State playoffs. They made it to the first round play-offs, but were defeated by the Neville Tigers which eliminated them from any further play-off games.

The Journal's All-City Team included several outstanding Bearkats. Receiving well deserved recognition were . . . First team: Harlan Hughes, center, Benny Evans, defensive back. Second team: Rodney Moffet, running back, Darryl Wyatt, offensive guard, Warren Elliot, offensive tackle.

Kats Fight For Victories

Lady Kats Undergo Changes

1986-87 was a rebuilding year for the Lady Kats. Tara Tinsley and Yolanda Harris were the only returning starters from the 1985-1986 squad. The season was filled with ups and downs due to the lack of experience of key players. The team gained many new young players who provide much hope for the future. Many of these young players have acquired that priceless commodity, experience, and because of that fact the 1986-1987 can never be considered a failure.

Senior Yolanda Harris takes a two point shot in the game against Southwood.

There's a special kind of student at BHS, one who is agile, quick, and mentally and physically strong. This student is unselfish in his devotion to a particular sport. He is a BHS basketball player. For six months or so out of the year this student/athlete is put through mental and physical strain.

As in the past, BHS was represented in the 1986-87 campaign by a group of players who were willing to devote their time and energies into making the basketball program a success. Leaders of the team included mainstay Senior Milford Parker, who McConathy described as "an excellent shooter and a good all-around player." Parker was the only returning starter and seemed to take control every time he hit the court. He was also the team's leading scorer. Others cited for leadership abilities included Seniors Noel Means, who added offensive punch to the lineup; Trey Shewmake, whose hustle and determination were inspirational; and Bruce Davis, among the leaders on the team in assists.

Johnny Holman passes the ball to Bruce Davis in the Bossier vs. Haughton game.

The Bearkat basketball captains are Trey Shewmake and Milford Parker.

A high flying Giant tries to block Baxter Earp's shot in the Bossier vs. Green Oaks game.

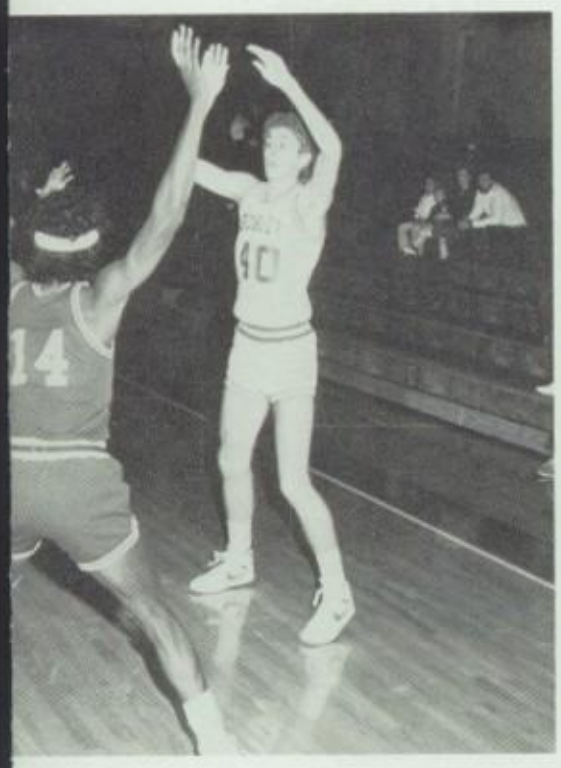
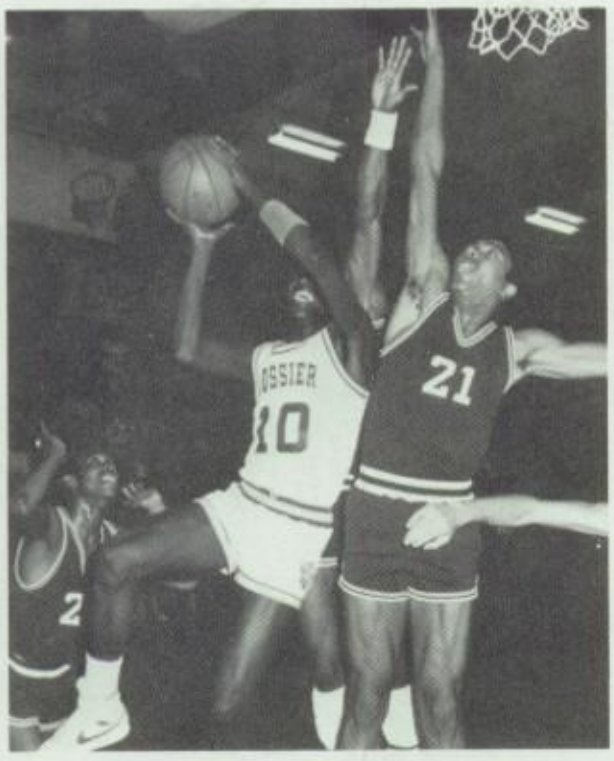
Senior Noel Means tries his hand out at jumping a Cowboy for the rebound during the Bossier vs. Southwood game.

Dribble, Pass, Shoot For Two





Senior Mark Isher signals to a fellow player that he is open during the game against Green Oaks.

Milford Parker goes up for a shot while trying to dodge the Giant's attackers.

Noel Means takes his two point foul shot after being fouled by a Minden player during the McDonald's Tournament.

A determined Bearkat does not give up even under the continuous strain of the Green Oaks Giants.

Baxter Earp goes for a much needed shot during the game against Green Oaks.

Mark Isher takes an easy shot for the Kats as they play Northwood.

Noel Means takes the first shot in the Northwood game for the Kats.

Low Cost, Higher Education at Bossier Parish Community College

If you're interested in pursuing a college degree, training for better employment, or simply investigating an area of interest with the aid of a highly qualified instructor, then Bossier Parish Community College can be of great assistance to you.

You can afford to attend a community college where there is LOW TUITION and small classes.

Bossier Parish Community College is accredited by the Louisiana State Department of Education. All credits are fully transferable to state colleges and universities under the Board of Trustees. BPCC is a candidate for accreditation with the Southern Association of Colleges and Schools. Selected academic credits are transferable to the LSUS System.

If you are considering . . .

- pursuing a bachelor's degree
- attending a business school
- gaining an associate degree in Business Administration, Office Administration or Law Enforcement.
- training in technical areas
- gaining college credit as a high school senior

Investigate Bossier Parish Community College. As a community college, Bossier offers two years of academic study for the transfer of credits to other degree programs for completion of a bachelor's degree.

Our two-year terminal programs offer preparation for immediate employment in business, secretarial, law enforcement, respiratory therapy, and other fields.

Bossier Parish Community College cooperates with other colleges and business organizations, including Northwestern School of Nursing, American Institute of Banking, and law enforcement agencies, in providing the academic subjects and training classes necessary for a degree or a certificate.

Bossier also has a special program for high school seniors who have a cumulative 3.0 average which enables them to attend college while still in high school.

Explore this concept of post-secondary education at secondary education prices. This community college concept is a new and very valuable addition to education in Louisiana.

In the fall semester of 1980 Bossier Parish Community College was housed in its new administrative and classroom facility.

This new building will provide improved classroom and laboratory facilities with room for expansion and future growth.

I've Discovered The DIFFERENCE

TREY SHEWMAKE

In June of 1986, at a First Baptist Bossier Youth Camp, God spoke to my heart. He showed me that my example as a Christian was far from what it should be. I looked around and saw that I was giving in to temptations and peer pressure. I have found a more rewarding way to live though. I've discovered the difference, and the difference is Jesus Christ.

Colophon

Four hundred and seventy-five copies of the Les Memories were printed by the Taylor Publishing Company of Dallas. The approximate cost of the publishing was $19,000.

This 7¾ × 10½ book contains 288 pages printed on 100 lb. enamel paper. Sixteen pages of the book are printed in four-color. All body copy is set in Times Roman. The cover is four-color with dark green background. All class and faculty pictures were taken by Olan Mills of Haughton, La. Action shots were taken by the yearbook staff members or Olan Mills.

Special thanks go out to Mrs. Rougeau, the advisor, who spent so much time helping the staff produce this yearbook and to Mr. Beckermeyer for helping the staff with their write-ups as well as any other jobs we needed him to do.

Our thanks to Mr. Tinsley, Mr. Concilio, and Mr. Culbert, for their cooperation. And our appreciation to the counselors, secretaries, librarians, and teachers for their last minute efforts in making the book a success.

Bossier High School, Bossier City, La.
